EXPERIENCE

Front-End Developer   June 2024 - Aug 2024
Anek Technologies Pvt. Ltd. Link

Skills involved : HTML, CSS, JavaScript (JS), API, Bootstrap, React js

Roles and Responsibilities:
- Developed intuitive, responsive user interfaces using HTML, CSS, JavaScript, and Bootstrap, ensuring cross-browser compatibility and optimized code for performance and scalability across multiple platforms.
- Collaborated with backend developers and designers, troubleshooting and debugging UI issues to deliver seamless, well-documented, and smooth-functioning web applications.

Full Stack Web Development - Intern   Aug 2023 - Sep 2023
Edureka Link
- Developed practical full-stack skills (HTML, CSS, JavaScript, MySQL, PHP) as a Web Developer intern at Edureka, contributing to both front-end and back-end development in a team environment.
- Enhanced web application functionalities and created user-friendly interfaces for the Alcohol Addiction website, improving accessibility and user engagement during the internship.

EDUCATION

Maratha Mandal Engineering College under VTU University   2021 - 2024
- B.E in Computer Science & Engineering   CGPA : 7.45

Jain Polytechnic Belgaum under DTE Board   2016 - 2020
- Diploma in Computer Science & Engineering

PROJECTS

Doctor Appointment Booking (Java) : AppointmentBooking
- Developed a Doctor Booking Appointment Android app using Java, XML, and Android Studio, integrating Firebase for real-time database management and enhancing usability through user-friendly interfaces.
- Performed extensive testing and debugging, ensuring robust application performance and seamless user experience.

News App (React Js) : NewsApp
- Developed a News App using React.js, integrating external APIs for real-time news updates, dynamic content updates, and responsive design.
- Enhanced user engagement through categorized news sections and a search functionality, providing an optimal user experience.

Alcohol Addiction : AlcoholAddiction
- Developed an Alcohol Addiction website during my internship using PHP, HTML, CSS, JavaScript, MySQL, and XAMPP server.
- Designed and implemented responsive user interfaces to improve accessibility and user engagement.
- Integrated MySQL database for efficient data management and ensured smooth functionality across all features.

CERTIFICATIONS

- SQL Essential Certificate Program from Edureka Learning Center. Certificate
- Java (J2SE) & C++ from Media Industrial Training Center. Certificate
- Alpha (DSA with Java) from Apna College. Certificate
