SUMMARY

- Proficiently pursuing computer science engineering with expertise in Android, and web development. Rapidly assimilating new concepts, demonstrating strong adaptability, and consistently delivering high-quality results.

SKILLS

- Java (OOPS)
- Android Development - (Java)
- XML
- Firebase
- C++
- J2SE
- SQLite
- Web Development
- UI Development
- SASS
- HTML
- CSS
- Javascript (JS)
- Bootstrap
- MySQL
- RDBMS
- Linux
- Git - Version Control System
- Github

EXPERIENCE

Full Stack Web Development - Intern | Edureka Link   Belgaum | Aug 2023 - Sep 2023

- Developed practical full-stack skills (HTML, CSS, JavaScript, MySQL, PHP) as a Web Developer intern at Edureka.
- Collaborated within a team to develop a web application, contributing to both front-end and back-end development.
- Applied acquired knowledge to develop and enhance web application functionalities, ensuring project success.
- Developed intuitive and user-friendly interfaces for the Alcohol Addiction website, enhancing accessibility and engagement as a front-end developer during my internship.

Web Development - Intern | Khechari Technologies Pvt. Ltd

- Interned at Khechari Technologies, specializing in web front-end development.
- Engaged in web testing to enhance quality assurance skills and refine application functionality.
- Implemented testing procedures on an oil selling website to ensure optimal performance and user experience.

PROJECTS

Healthcare Android App (Java) : Link

- Developed a Java-powered Android application for comprehensive health management.
- Streamlined medication purchase, appointment scheduling, and curated health article access for comprehensive health management.
- Employed Java, SQLite, XML, and Lottie animation technologies to develop a comprehensive health management solution.

Academic Project : Link

Doctor Appointment Booking :

- Developed a Doctor Booking Appointment Android app using Java, XML, and Android Studio.
- Integrated Firebase for efficient management of real-time database operations.
- Created user-friendly interfaces, significantly improving usability and accessibility.
- Performed extensive testing and debugging to ensure robust application performance.

Web Interface : Link1 | Link2

- Proficiently crafted visually appealing web interfaces utilizing HTML, CSS and SASS.
- Demonstrated expertise in translating design concepts into intuitive and user-friendly layouts.
- Executed web UI development projects with strong knowledge and attention to detail, ensuring optimal user experience.

CERTIFICATIONS

- SQL Essential Certificate Program from Edureka Learning Center. Link
- Java (J2SE) & C++ from Media Industrial Training Center. Link
- Alpha (DSA with Java) from Apna College. Link

EDUCATION

Maratha Mandal Engineering College under VTU University   2021 - 2024

- B.E in Computer Science & Engineering   CGPA : 7.45

Jain Polytechnic Belgaum under DTE Board   2016 - 2020

- Diploma in Computer Science & Engineering
